

## Assistive Technology Devices

The college is committed to providing accommodations to those students who follow the policy and procedures for registering with our Disability Counselors. Accommodations may include Assistive Technology Devices which students retain in their possession each semester. Please adhere to the following procedures.

- Student must check out device at beginning of semester and check it back in at the end of the semester.
- Student is responsible for reasonable care and maintenance of device.
- If device is loss or damage it is the student's responsibility to report it to the Disability Counselor.
- If a student cannot afford the care and maintenance of a device, it is the student's responsibility to inform the Disabilities Counselor and request assistance with funds to maintain equipment.
